

B.C.

MINING *Review*

digital magazine

The **B.C. Mining Review** is a digital magazine published two times per year targeting the mining industry in BC, SK, MB and North of 60. Editorial content focuses on the BC mining industry. A teaser email is sent to recipients, who click a direct link to a full screen display of the publication, for instant readability.

Reach procurement managers, investors, directors, general managers, project managers, vice presidents, exploration companies, government, associations, operations managers, drill managers, engineers, consultants, CEOs, partners, and many more.

We offer the added value of editorial in the publication, with the purchase of a 1/2 page ad or larger.
